INTRODUCTION

Dear Guest:

This guide is intended to provide pertinent information to make your visit to the Verizon Arena as safe and enjoyable as possible. As management of the Verizon Arena, we are dedicated to enhancing the access to our events for all current and potential guests.

Verizon Arena's mission is to bring a large variety of events, attracting people from all ethnic groups and of all ages. By making our facility "User Friendly", our guests return time and time again with their families and peers, making the Verizon Arena their place of choice for sports, entertainment and public forum.

We not only take pride in the fact that we are complying with the American's With Disabilities Act, but we are also working closely with our colleagues in the industry to ensure equal access to all.

We thank you for your patronage and continued support.

Sincerely,

Joe DeGeorge
Director of Event Services

PARKING

Accessible Drop-Off

Accessible drop-off area is located at the lower box office entrance on Washington Ave.

Accessible Parking

Accessible parking is available at the parking lot across from the lower box office entrance. There is also parking available on Verizon Arena Way, located at the front of the arena.

Escorts

Verizon Arena can provide escorts to parking areas for guests with special needs. This service is free and can be requested through Guest Services. To minimize your wait, we suggest that you make arrangements for this service before the end of the event you're attending.

TICKET POLICIES

Accessible Seating

Verizon Arena holds seats in various areas of our facility for patrons who need wheelchair access, as well as for those with visual impairment, hearing impairment, and for those who have limited mobility, but do not require the use of a wheelchair.

Our ticket purchase policy for guests who require accessible seating is as follows:

Sold-Out Events

All disabled and companion seating will be held for a two week period after the event sells out.

After this period of time, the majority of our accessible seating will be released. We will continue to hold a very limited amount of accessible seating up through show time. To ensure that you receive the best possible accessible seating for your personal needs, purchasing your tickets as early as possible is recommended.

Non-Sold Out Events

Seating will be available until the start of the show. The amount of disabled seating available will be in proportion to the number of non-disabled seating available.

Verizon Arena maintains a list of patrons who need access to these areas. In order to get on this list, the patron must send Verizon Arena a physician's note to verify his or her eligibility. Since there is always concern with non-disabled people trying to purchase seating in disabled seating areas, we find that a physician's note is the best way to insure that the people who need seating in these areas are able to purchase them. Once a patron is on our list, he or she has the ability to call us at (501) 975-9000 to order tickets by
